

EASY KNITTED BEANIE

Materials:

- #6 super bulky yarn
- US #11 / 8.00mm circular knitting needles
- Stitch marker
- Pom pom (optional)

Abbreviations:

- k – knit
- p – purl
- k2tog – knit 2 stitches together

Round 1: Cast on 56 stitches using a long tail or knitted cast on. Then, being careful not to twist the stitches, join to work in the round. Mark the beginning of the round with a stitch marker.

Round 2: *Knit 1, purl 1* around.

Rounds 3-33: Continue working in K1P1 ribbing until the hat is about 10 inches tall and only 2-3 feet of yarn remain from the skein. You don't

really need to measure this; just continue working and stop when you only have enough yarn for 2 or three more rounds.

Round 34-35: *K1, P3tog* around for 2 rounds. Then, thread the end of the yarn through a jumbo tapestry needle and pull it through the remaining stitches. Pull to close the top of the beanie and fasten off the yarn. Weave in the tail and trim any excess yarn.

Finishing Touches:

To finish it off, add your pompom to the top and sew it securely into place. Use a large tapestry needle and be sure to go through the ball of the pom to attach it properly.
